Order-No.: **1006 HY 2**
1322 HY 2

Type: **SE 5 HY 2**
S 30-60 HY 2

With the electric fill- and ventilation devices hydraulic shift and clutch systems can be maintained. The hydraulic oil change is done fast and without problems.

Only the complete ventilation of the hydraulic shift and clutch systems assures the functional safety.

Electro-hydraulic system, pressure adjustable and regulated, bubble-free fluid flow, no foaming of the hydraulic liquid, pressure indication via manometer, one man operation.

Fill- and ventilation devices for hydraulic oil according to MB-regulation 345.0, Daimler AG-version.

Description:**Type SE 5 HY 2**

Mobile bleeding/filling device for workshops and mobile operation for the use with 20 liters original canisters.

Technical Data:

Power supply: 230 V/50 Hz

Filling hose length: about 4.0 m

Pressure: infinitely-variable adjustable from about 0.5 – 3.5 bar

Safety: automatic final switch off

Dimensions (LxWxH) in mm: 780 x 280 x 500

Weight: about 13 kg

Scope of delivery: Ventilation device SE 5 HY 2, tank tube screw (order-no. 50415) for 20 l canister

Order-No.: 1006 HY 2

Type S 30 – 60 HY 2

Bleeding/filling device for big commercial vehicles workshops for the use with 30 – 60 liters canisters.

Technical Data:

Power supply: 230 V/50 Hz

Filling hose length: about 4.0 m

Filling level indication via 3 control lamps (red, yellow and green)

Pressure: infinitely-variable adjustable from about 0.5 – 3.5 bar

Safety: automatic final switch off

Dimensions (LxWxH) in mm: 790 x 500 x 890

Weight: about 34 kg

Scope of delivery: Ventilation device S 30-60 HY 2, tank tube screw (order-no. 50415) for 20 l canister

Order-No.: 1322 HY 2

Accessories:

50600-HY2 Adapter set complete for Actros + Atego consistent of:

50258 suction bottle

50260 LS screw adapter for compensating reservoir

50389 return hose 8/2 mm, 2.5 m with coupling R21

50390 return hose 6/2 mm, 2.5 m with coupling R21

50392 Y-hose bleeder for HPS 2

50393 catch can with connection HPS 2 (10 l) >> included in order-no. 50395

50394 adapter for Atego new (without 10 l catch can) >> included in order-no. 50395

50395 adapter for Atego new (inclusive 10 l catch can)

50396-H Y-filling hose (Tandem-Adapter), length 2 x 60 cm with 2 quick-connect couplings and fabric hose with plug-in nipple to the supply hose

50399 Actros, Atego, flow-adapter
